Amsterdam- *Amsterdam*, is one of the greatest small cities in the world. From Amsterdam canals to world-famous Amsterdam museums and historical Amsterdam sights, it is one of the most romantic and beautiful cities in Europe. Canal cruises are a popular way to see the city from the perspective of its canals. It has all the advantages of a big city: rich culture, lively Amsterdam nightlife, international restaurants, good transport - but is quiet, and largely thanks to its extensive canals, has a little road traffic. In this city your destination is never far away, but get a bike for an authentic local experience.

Brussels- *Brussels*, opens up an altogether different world to its visitors where the ancient and modern world are closely linked together. The numerous attractions, the culture, people and the restaurants serving delicious food here welcome the visitors to come and discover all that the city has to offer.

Cologne- *Cologne (Köln)*, offers a mother lode of attractions, led by its famous cathedral whose filigree twin spires dominate the skyline. The city's museum landscape is especially strong when it comes to art but also has something in store for fans of chocolate, sports and even Roman history. Cologne's people are known for their liberalism and joie de vivre; it's easy to have a good time with them in the beer halls of the Altstadt or during Carnival.

Frankfurt- *Frankfurt*, a central German city on the river Main, is a major financial hub that's home to the European Central Bank. It's the birthplace of famed writer Johann Wolfgang von Goethe, whose former home is now the Goethe House Museum. Like much of the city, it was damaged during World War II and later rebuilt. The reconstructed Altstadt (Old Town) is the site of Römerberg, a square that hosts an annual Christmas market.

Black Forest- The Black Forest is a mountainous region in southwest Germany, bordering France. Known for its dense, evergreen forests and picturesque villages, it is often associated with the Brothers Grimm fairy tales. It's renowned for its spas and the cuckoo clocks produced in the region since the 1700s. The region's largest town, Freiburg, is filled with Gothic buildings and surrounded by vineyards.
